

### **REMARKS**

The Office Action mailed June 7, 2005 has been reviewed and the comments therein were carefully considered. To summarize the status of the patent application, claims 1-32 are pending. Claims 1-18 and 32 are allowed. Applicants are canceling claims 19-31 with this paper.

The Office Action Summary states that claims 1-32 are pending but does not indicate the status of claim 32. Moreover, the Detailed Action does not provide any discussion regarding claim 32. In a telephonic discussion on June 23, 2005, the Examiner stated that claim 32 is allowed and that a Supplemental Office Action will be sent.
